Hiring the R-Space Gallery for exhibitions

R-Space runs an exhibition programme throughout the year funded by the Arts Council of Northern Ireland. We aim to develop and deliver a high quality, innovative and imaginative arts programme that increases understanding, appreciation, practice, access and enjoyment of contemporary visual arts, crafts, design and other related arts activities.

The gallery is available for hire in between exhibitions. We welcome artists to hire the gallery to present other exhibitions that share the same aim of and can contribute to our programme. We are therefore keen to hire out the space to artists who create excellent and innovative original works in a variety of forms, and can also possibly offer activities to engage the general public (e.g. talks).

Our hiring fees include:

- Help with setting up and taking down the exhibition
- Displaying information about the exhibition (details provided by the artists)
- Print and display of a poster about the exhibition (design provided by the artists)
- Support with promotion through our social media

If you would like more information or you have any questions, do not hesitate to contact the Office Manager.
